### Y. M. C. A. BASKETBALL TRIP IS EXPENSIVE

The expense of the trip of the Y. M. C. A. basketball team to Chicago will be in the neighborhood of \$1,200, according to O. B. Gingrich, physical director of the Y. M. C. A. Ten players will be taken along and 15 games are scheduled en route. Among others will be Laramie, Wyo.; Greeley, Colo.; Denver, Omaha, Sioux City, University of South Dakota, Hays City and Salina, Kan. It is thought that the expense of the trip will be covered by receipts from the games.

### NEW PLANS FOR FOOTBALL.

The three plans upon which the sub-committee of the intercollegiate committee on rules will report provide in substance for the following changes of alignment and play:

PLAN ONE. 1. Seven men on the scrimmage

2 No pushing or pulling of the nan with the ball. 3. Prohibition of diving tactics. Ends going down the field not be body-checked.

5. Players going down the field under a punt not to approach nearer than five yards to catcher or punter until he has touched the ball and then coming to tackle him or charge for-ward unless he starts to run with the ball.

sall.

6. Eliminate on-side kick.

7. First man receiving the ball to allowed to carry it anywhere.

8. Forward pass allowed over any

PLAN TWO.

1. Divide the halves into two periods, play to be resumed by the side in possession of the ball when the preceding period closed.

2. Seven men on the line of offense and three of the backs to be at least four yards in the rear of the line. (This would eliminate the tandem play perfected by Harvard.)

3. Forward pass to be made and caught only by players standing behind the line when the ball is put in play.

4. In offensive plays between the two 25-yard lines, the team with the

ball must advance it 10 yards in consecutive downs or forfeit possession. (This article the committee states itself open to further advice.)

PLAN THREE.

PLAN THREE.

1. Seven men on the line of scrimmage, with the back field of offense limited to four men, center rush always in the center and no interchange of players permitted.

2. Eliminate neutral zone and onside kick.

3. No runner with the ball to receive any help until he has reached the line of scrimmage. This would reduce the weight of the attack.

4. Distance to be gained, seven yards in four downs.

# FIGURES ON B.Y.U.

Years-Record for the Season.

The adoption of the freshman rule at the university has been the one topic of conversation in college athletic circles throughout the state. It is not probable that the action of the state university will be followed at the present time by will be followed at the present time by the other large schools. This is particularly true of B. Y. U. at Provo which, it is thought, will not take up a four-year rule. The Utah intercollegiate rules provide at the present time that a student may play four years as a college student provided that he does not play entry the provided that he provided the provided that he provided the provided that he provided that he provided the provided that he provided that he provided the provided the provided the provided that he provided the provided that he provided the pr college.

Ane question of the athletic history of the members of Provo's now famous basketball team has been much discussed of late and in some quarters it has been said that there are several members of the team who have played seven and even eight years. This is untrue, Chamberlain and Rose being the oldest in point of service, five years. Coach Fred Bennion has furnished some interesting figures in regard to his men, as follows:

#### ALL SORTS OF GAMES FOR END OF WEEK

On Wednesday the Second U. basketball team will tangle with the Second Y. M. C. A. as a preliminary to the game of the L. D. S. U. and the university. Thursday the U. team goes to Logan where it plays the B. Y. C. Friday and the Aggies Saturday. The end-week affairs promise to be interesting not only from an athletic but also from a social standpoint.

### GREATEST GAMES OF YEAR ON THIS WEEK

The coming week promises to make some lively history in the basketball line. Probably the greatest game of the year in Utah circles will be that Saturday night at the Y. M. C. A. gymnasium when Coach Bennion's men of the B. Y. U., the near state champions, will meet the Y. M. C. A. it is a view of the the year. The chardest sort of a game and the interest among adherents of the great winter indoor game is at fever heat.

### AMERICAN HORSEMEN ON ENGLISH TRACKS

New York, Feb. 21.—There will be so many American trainers and jockeys in the paddocks of the race tracks of England, France, Russia, Germany and Austria this season that the Yankee tourist will think that Sheepshead Bay or Saratoga has been transplanted. More than 40 trainers and riders have found profitable positions abroad, including some of the best known men on the American turf. Names of some follow:

### WESTON DAY AHEAD OF SCHEDULE TIME

Sunshine, Ariz., Feb. 21.—More than a day ahead of his schedule, Edward Payson Weston, the pedestrian, left this little station early this morning on his eastward journey. Weston intends to malk 35 miles today and spend the night at one of the small stations between Winslow and Holbrook. Weston took his customary Sabbath rest yesterday, spending the day quietly at the home of a railroad employe at Sunshine. The rest was welcome as the veteran had covered 43 miles Saturday.

### ATTELL AND CONLEY READY FOR CONTEST

Los Angeles, Cal., Feb. 2.—Monte Attell and Frank Conley have concluded their training for the contest for the bantamweight champlonship of the world, which they will engage in on the afternoon of Tuesday, Feb. 2., at Vernon. The bout is scheduled for 45 rounds and much interest has been awakened in the result. Both youngsters are confident and both have trained faithfully. The betting is light, and favors Attell at 10 to 8.

MANY ENTRIES FOR WRESTLNIG HONORS

Chicago, Feb. 21.—Entries close today for the National A. A. U. wrestling championships, which will be held at the Illinois A. C. on Friday and Saturday nights, E. C. Racey, chairman of the championship committee, asserted yesterday that over 100 wrestlers from different sections of the country would contest.

**NELSON AND WOLGAST** FINISH TRAINING

San Francisco, Feb. 21.—The principals in the Nelson-Wolgast fight, which will take place at Richmond tomorrow afternoon, have completed their training. Their handlers announced yesterday that their charges were below weight. Apparently both fighters are in condition to make the lightweight championship match a grilling fight.

Some apprehension is feit today because of threatening weather as the fight will be held in an outdoor arena. The betting is brisk with Nelson the farvorite but with plenty of Wolgast money in sight. It is predicted that almost even money will be offered by the time the fighters enter the ring.

According to seven young men who were eye witnesses, Allen was in Lollin's saloon on Main street when Ryal entered and began to curse and abuse the youth. Allen left the place and walked to First South, Ryan following and calling him vile names. Finally, Allen struck Ryan a blow in the mouth and the two grappled. Allen was taken to the emergency hospital where Dr. F. B. Steele dressed the wound and then sent the young man home. Ryan denied stabbing Allen and when searched at pollee headquarters no knife was found on him. A knife was found, however, in the gutter near where the struggle occurred. The water had washed the blood from the knife. The witnesses to the affair were: Carl Winsness, Albert Simmonds, L. F. Hodgins, H. Poulton, Charles Altree, George Robinson and Jack and Lafe Monahan. Young Allen will recover.
